

Marvell Intern Program Initiative Map

Visual Flow & Connections Guide

This document outlines how every initiative in the Marvell Intern Program connects to create a cohesive internship experience. Use this as a blueprint for creating a website visualization or draw.io diagram.

Program Architecture: Three Pillars

The program is built on **three interconnected pillars** that run simultaneously:

1. **Professional Development** → Career growth, skills, technical work
 2. **Engagement & Community** → Networking, belonging, peer connections
 3. **Structural Support** → Logistics, training, resources, guidance
-

Timeline Flow: Pre-Hire → Programming → Wrap-Up

PHASE 1: Pre-Hire Engagement (January - April)

Goal: Keep interns engaged, reduce reneges, build excitement

Monthly Newsletters (Hub Initiative) - Flows into → LinkedIn Group activation - Flows into → AMA Sessions - Flows into → Swag distribution planning

LinkedIn Group (Community Hub) - Receives → Newsletter content - Enables → Peer introductions - Connects to → AMA Q&A submissions

“Ask Us Anything” Sessions (April) - Draws from → Newsletter announcements - Feeds into → Peer Lead volunteer recruitment - Connects to → First-week expectations

Manager/Mentor Training (April) - Prepares for → Onboarding Day 1 - Connects to → Intern project assignments - Enables → Buddy system

Site Lead Kick-off (March) - Coordinates → Local office events - Connects to → Peer Lead program support - Plans for → Speaker series logistics

PHASE 2: Onboarding (May - Early June)

Goal: Smooth integration, community building, foundational knowledge

Day 1: Marvell-Wide New Hire Orientation - Triggered by → Pre-hire communications - Connects to → Swag distribution (US: website redemption, Canada: on-site) - Flows into → Manager pickup & first 1:1

Day 2: UR Orientation - Builds on → Day 1 foundation - Introduces → Intern programming calendar - Launches → Self-guided modules (L&D, AI Tools, Wage & Hour) - Activates → Intern Peer Lead volunteers

Intern Peer Lead Program Launch - Recruits from → Pre-hire newsletter volunteers - Supported by → Site Leads - Plans → All local social/networking events - Coordinates → Volunteer activities throughout summer

Lab Tours (Santa Clara, May-June) - Organized by → Site Leads - Complements → Technical onboarding - Part of → Week 1 welcome activities

Local Networking Events - Hosted by → Intern Peer Leads - Supported by → Site Lead budget (\$25/intern) - Occurs → First week of each cohort

PHASE 3: Active Programming (June - August)

Goal: Development, networking, skill-building, culture immersion

A. Core Development Track (Structured, Company-Led)

Leadership Speaker Series (Wednesdays, In-Person, Mandatory) - AI Panel (July 9) - Women@Marvell Panel (July 16) - Matt Murphy (July 30) - Chris Koopmans (August 6)

Connections: - Supported by → Site Leads (AV, catering, rooms) - Promoted via → Newsletters & Slack - Integrated with → Manager expectations (clear schedules)

Financial Education Week (July/August, Virtual) - FTE Benefits Info Session - 401k Schwab Financial Overview

- Financial Savvy w/Tara Hsu - ESPP/RSU Information

Connections: - Supports → Conversion readiness - Complements → Project work - Optional attendance

Development Workshops - R-Factor Workshop (June) - Yoga with Scott Moore (July) - Office Hours (Interns & Managers, bi-weekly)

Connections: - Feeds into → Career development goals - Complements → Technical training - Supports → Work-life balance

B. Community & Culture Track (Peer-Led, Locally Driven)

Intern Peer Lead Program (Ongoing) - Budget: \$35-40/intern - Bi-weekly syncs with UR team - Tracked via shared spreadsheet

Activities Organized: - **Weekly:** Coffee chats, lunch meetups - **Monthly:** Offsites (beach trips, game nights, local events) - **Once per summer:** Volunteer/philanthropy event (paid via VTO) - **Ongoing:** Book Club (optional)

Connections: - Coordinates with → Site Leads - Uses → UR team budget for transport (Ubers) - Promotes via → Slack channels - Reports to → Anthony Hua

Site-Specific Events - Summer picnics - Local all-hands meetings - Office celebrations - Site offsites (e.g., Big Al's Santa Clara, Toronto lunch)

Connections: - Funded by → Site budgets (not UR) - Include → All interns invited - Coordinated with → UR team to avoid scheduling conflicts

C. Signature Events (*Global, High-Impact*)

Marvell 5k (May 28, 2026) - Timing → Early in program (first 2 weeks) - Includes → T-shirt size collection - Organized by → Company events team + UR - Participation → Encouraged for all interns

Global Intern Event (July 22, 2026) - 90-minute virtual team-building - Mixed teams of 5-6 across BUs/regions - Preceded by → Swag & t-shirt distribution (mid-June) - Followed by → Winner announcements & recognition

National Intern Day (July 30) - Coincides with → Matt Murphy Speaker Series - Managers → Take interns to lunch - Recognition → Team shout-outs

Connections: - These three anchor events punctuate the summer - Each has → Pre-event communications - Each involves → Cross-functional coordination - Each creates → Community touchpoints

PHASE 4: Wrap-Up & Conversion (August - September)

Goal: Showcase work, evaluate performance, extend offers

Performance Evaluations - Mid-internship (30 days before end) - Final evaluation (last 2 weeks)

Connections: - Feeds into → Conversion decisions - Required for → Extensions - Supported by → Manager training & resources

Project Presentations - Scheduled by → Managers - Presented to → Teams & org leaders - Demonstrates → Intern impact

Connections: - Culminates → 12-week project plan - Showcases → Skills developed - Influences → Conversion offers

Intern Experience Survey - Timing → Late July/Early August - Gathers → Feedback on all programming - Informs → Future program improvements

Conversion Offers - Initiated → Mid-late July - Verbal offer → Last day of internship - Written offer → Via Workday

Connections: - Depends on → Performance evaluations - Leads to → New Grad conversion communications - Triggers → Keep-warm newsletter series

Offboarding (3 Groups: Aug 7, Aug 21, Sept 11) - HR Ops → Exit meetings - Farewell events → Site-led toasts - System access → Auto-terminated on end date

Key Connection Nodes (How Everything Links)

1. Communications Hub

- Newsletters → Feed all phases
- Slack channels → Real-time coordination
- Calendar invites → Event attendance
- LinkedIn Group → Pre-hire community

2. Support Network Hub

- Manager → Project direction
- Mentor/Buddy → Day-to-day support
- Site Lead → Local logistics & resources
- Intern Peer Lead → Social/community events
- UR Team → Overall program coordination

3. Budget & Resources Hub

- UR Team budget (Cost Center 2014) → Speaker series, swag, global events
- Site Lead budget (\$25/intern) → Local enhancements
- Peer Lead budget (\$35-40/intern) → Social activities, book club, offsites
- Manager budget → Welcome lunches, National Intern Day

4. Participation Touchpoints

Every intern engages through: - **80% Time:** Technical project work with team - **10% Time:** Company events (all-hands, site celebrations) - **10% Time:** Intern programming (~48 hours over 12 weeks)

Event Categories & Dependencies

Mandatory Events (In-Person Required)

1. Day 1 & Day 2 Orientations

2. Leadership Speaker Series (all 4)
3. Global Intern Event

Dependencies: - Manager → Must clear intern schedules - Site Leads → AV support, conference rooms, catering - Recordings → NOT provided (attendance enforcement)

Optional Events (Engagement-Driven)

1. Financial Education sessions
2. Office Hours
3. R-Factor Workshop
4. Yoga sessions
5. Peer Lead socials

Dependencies: - Self-driven participation - Complement mandatory programming

Site-Specific Events (Locally Customized)

1. Lab tours
2. Offsites (Big Al's, summer picnics)
3. Volunteer activities
4. Book clubs
5. Weekly coffee chats

Dependencies: - Intern Peer Lead coordination - Site Lead support - UR team budget approval

Cross-Cutting Themes (Threads Throughout)

1. Conversion Pipeline

- Pre-hire newsletters → Keep-warm
- Speaker series → Leadership exposure
- Project work → Performance demonstration
- Mid/final evaluations → Offer decisions
- Post-conversion newsletters → New grad retention

2. Skill Development

- Onboarding modules → Foundation
- Technical project → Hands-on learning
- Speaker series → Leadership insights
- Financial education → Career planning
- Workshops (R-Factor) → Soft skills

3. Community Building

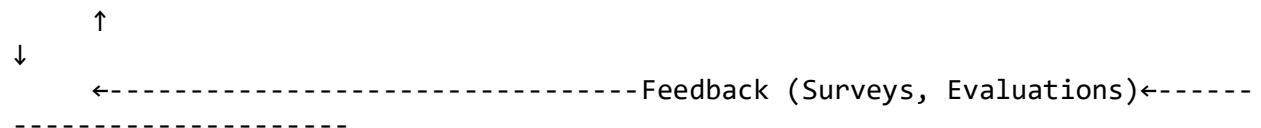

- LinkedIn Group → Pre-arrival connections
- Peer Lead program → Local belonging
- Global Intern Event → Cross-regional bonds
- Socials/offsites → Informal relationships
- Book club → Intellectual community

4. Support Scaffolding

- Manager → Strategic direction
- Mentor/Buddy → Tactical support
- Peer Lead → Social connector
- Site Lead → Logistical facilitator
- UR Team → Program orchestrator

Data Flow & Feedback Loops

Recruitment → Offer Accept → Pre-Hire Engagement → Onboarding → Programming → Evaluation → Conversion

Feedback Collection Points: 1. AMA Q&A submissions (April) 2. Mid-internship surveys 3. Intern Experience Survey (July) 4. Performance evaluations (30 days before end, final 2 weeks) 5. Roundtables/focus groups (ad hoc)

Feedback Application: - Informs → Next year's programming - Adjusts → Current year events - Shapes → Conversion strategies - Improves → Manager/mentor training

Visualization Suggestions for Website/Draw.io

Option 1: Timeline/Journey Map

Horizontal timeline with three swim lanes: - **Top Lane:** Professional Development (project work, evaluations, presentations) - **Middle Lane:** Structured Programming (orientations, speaker series, global events, financial ed) - **Bottom Lane:** Community Building (peer lead events, socials, networking)

Option 2: Hub-and-Spoke Diagram

Center: **INTERN**

Surrounding hubs: - **Manager** (connects to: project plan, evaluations, conversion) - **Peer Lead** (connects to: socials, book club, volunteer events) - **UR Team** (connects to: newsletters, speaker series, global event, swag) - **Site Lead** (connects to: logistics, facilities, local events) - **Mentor/Buddy** (connects to: 1:1s, onboarding support, questions)

Option 3: Three-Phase Flow

Each phase expands to show: - Key initiatives - Responsible parties - Touchpoint frequency
- Budget sources

Option 4: Block Grid Layout

Color-coded blocks by category: - **Blue:** Pre-hire communications - **Purple:** Training & development - **Red:** Speaker series - **Orange:** Innovation/global events - **Green:** Holidays & recharge - **Light Blue:** Peer-led/site events - **Black:** Newsletters/communications

Show connections with arrows or dotted lines between related blocks.

Key Metrics & Scale

- **Duration:** 12 weeks (May-August/September)
- **Programming Time:** ~48 hours (10% of internship)
- **Cohorts:** 3 US cohorts + 1 Canada cohort
- **Speaker Series:** 4 mandatory sessions
- **Peer Lead Budget:** \$35-40 per intern
- **Site Lead Budget:** \$25 per intern
- **Conversion Rate:** 80%+ historically

Critical Dependencies for Success

1. **Manager Buy-In** → Clears schedules, champions participation
 2. **Site Lead Support** → Provides logistics, rooms, local coordination
 3. **Peer Lead Volunteers** → Drives community and social cohesion
 4. **UR Team Orchestration** → Central planning, budget, communications
 5. **Budget Alignment** → Three separate budget streams (UR, Site, Peer Lead)
 6. **Calendar Coordination** → Avoids conflicts with site events, holidays, all-hands
-

Connection Types (For Diagram)

When creating your visualization, consider these relationship types:

- **Prerequisite** (→): One must happen before the other (e.g., Newsletter → AMA signup)
 - **Supports** (→→): One enables or enhances the other (e.g., Site Lead →→ Peer Lead events)
 - **Parallel** (||): Occur simultaneously (e.g., Project work || Programming events)
 - **Feeds Into** (→): Outputs feed forward (e.g., Evaluations → Conversion offers)
 - **Coordinated** (↔): Must align/sync (e.g., UR Calendar ↔ Site events)
-

Quick Reference: All Initiatives Alphabetically

1. **AMA Sessions** → Pre-hire Q&A, April
 2. **Background Checks** → Pre-arrival, March-April
 3. **Book Club** → Peer-led, optional, throughout summer
 4. **Day 1 Orientation** → Marvell-wide, first day
 5. **Day 2 UR Orientation** → UR-specific, second day
 6. **Financial Education Week** → July/August, 4 sessions
 7. **Global Intern Event** → July 22, virtual team challenge
 8. **Intern Experience Survey** → Late July/early August
 9. **Intern Peer Lead Program** → Community-building, May-August
 10. **Lab Tours** → Site-specific, May-June
 11. **LinkedIn Group** → Pre-hire community, January onward
 12. **Manager/Mentor Training** → April, pre-onboarding
 13. **Marvell 5k** → May 28, company race
 14. **National Intern Day** → July 30, recognition day
 15. **Newsletters** → Monthly, January-May (pre-hire) + during program
 16. **Office Hours** → Bi-weekly, virtual support
 17. **Onboarding Modules** → Self-guided, first week
 18. **Performance Evaluations** → Mid-point & final
 19. **Project Presentations** → Final weeks, team showcase
 20. **R-Factor Workshop** → June, development session
 21. **Site Lead Kick-off** → March, logistics planning
 22. **Socials/Offsites** → Peer-led, monthly, site-specific
 23. **Speaker Series** → 4 sessions, Wednesdays, mandatory
 24. **Swag Distribution** → Welcome gifts (April) + Global event shirts (June)
 25. **Volunteer Events** → Peer-led, once per summer, paid VTO
 26. **Yoga with Scott Moore** → July, wellness session
-

Color-Coding Recommendation

For your visualization, use this color scheme from the official calendar:

-  **Blue:** Pre-hire, onboarding, orientation
 -  **Purple:** Training or development sessions
 -  **Orange:** Innovation Sprint/Global Intern Event
 -  **Red:** Speaker series
 -  **Green:** US/CA holidays or recharge weekends
 -  **Light Blue:** Site-specific or Peer Lead events
 -  **Black:** Communications (newsletters, announcements)
-

Usage Notes

- **For Website Blocks:** Each initiative = clickable block that expands to show connections
 - **For Draw.io:** Use the connection types above to draw relationship arrows
 - **For Timeline:** Place events chronologically with vertical alignment by category
 - **For Interactive Map:** Enable filtering by pillar (Professional/Community/Support)
-
